**IX International Scientific Conference  
Contemporary problems of economic development  
- Economies during the crisis**

**June 11, 2021, online**

Since 2014, the College of Economic and Social Sciences of the Warsaw University of Technology, Branch in Płock and KN SONDA have been organizing the International Scientific Conference "Contemporary Problems of Economic Development".

The conference is addressed to research workers, ph.d. students and students of economic universities.

**Thematic scope of the conference:**

The main topic of the conference is the economic situation during the crisis. Within this area, we propose two basic thematic blocks covering the issues of management in times of crisis:

- 1) Microeconomic - competitiveness and innovation of enterprises, entrepreneurship, financial aspects of enterprises, household finances.
- 2) Macroeconomic - labor market, economic growth and development, regional development, international exchange, the role of the state, fiscal and monetary policy, social policy.

### **Conference calendar:**

Application for participation - by 25/05/2021

Submission of the article to the post-conference monograph - June 11, 2021.

### **Conference languages:**

Conference presentations and scientific articles should be prepared in Polish, English or Russian.

### **Publications:**

Articles, after a positive review and prepared in accordance with the editorial guidelines, will be published in the post-conference monograph (20 points of the Ministry of Science and Higher Education).

The publication should be prepared in accordance with the rules set out in the "Editorial guidelines of the post-conference publication".

### **Conference fee:**

Participation in the conference is free.
